

# I Will NEVER STOP Seeking God

## MUSICIANS GUIDE:

The Guitar chords in this songbook have been simplified from the recording but follow the basic arrangements. Musicians are encouraged to embellish these arrangements by improvising with the chord symbols. When there is a chord under a slash (F/G) the chord above the slash is to be played by upper register instruments (guitars, right hand of the keyboard etc.) the chord below the slash is to be played by lower register instruments (bass guitar, left hand of the keyboard).

## FOREWORD

---

***“As long as he sought the Lord,  
God made him to prosper.”***

**2 Chronicles 26:5**

This particular verse in 2 Chronicles 26:5 tells us the key to our success and prosperity. Jesus Christ also teaches us to seek first the kingdom of God and His righteousness and all these things shall be added unto us.

Regardless of the circumstances we are in, our priority in life is to seek God and that we might spend time in His presence. Seeking God should be the lifestyle of every believer.

The songs contained in this album were given to us by the Holy Spirit, primarily to create continual hunger and thirst in our hearts for more of the presence of God. We hope that as you sing these songs, you too will experience the same manifest presence of God and joy in the Holy Ghost as we do in our church services.

In whatever state you are in, whether in times of blessings and prosperity or in times of trouble and difficulty...

***“Never Stop Seeking God!”***
